Institute of Psychiatry – COE

Department of Psychiatric Social Work

The Department of Psychiatric Social Work started functioning from 2011 with the **objective** of:

- Providing psychosocial intervention to persons and families with mental illness and
- Imparting higher teaching programs, Master of Philosophy (M.Phil.) in Psychiatric Social Work (PSW).

Psychiatric Social Work is an integral part in the multidisciplinary team in treatment and rehabilitation of persons with mental illness or persons with psychosocial problems. However, professionally qualified psychiatric social workers are very limited in our country. The Government of India has acknowledged the growing need for psychiatric social work and therefore has included in the project for manpower development in mental health under National Mental Health Programme (NMHP).

Institute of Psychiatry – COE

College of Nursing

The Institute of Psychiatry-COE, College of Nursing (2018) has been reformed from Department of Psychiatric Nursing. Department of Psychiatric Nursing was formed in 2012 along with other two Departments – The Department of Clinical Psychology and Department of Psychiatric Social Work with the objectives to promote Mental health and to provide holistic care to individuals, families and communities. Now the College of Nursing, Institute of Psychiatry-COE; is also running M. Sc. in Psychiatric Nursing Course since 2018.

Psychiatric Nursing is an integral part of multidisciplinary psychiatric team in providing holistic care to persons with mental illness. The whole team also play an effective role in the preventive aspects of mental health by sensitizing the community with mental awareness programs. However, there is an acute shortage of professional psychiatric nurses in the country. Therefore, National Mental Health Program highlighted the need for establishing Post Basic Diploma (DPN) in this field thus the same has been included in the project to develop more mental health nursing professionals. And we under Govt. of W. B. Govt., INC, WBNC, and WBUHS in 2018 has established M. Sc. in Psychiatric Nursing with yearly intake of 10 to fulfil the shortage of Psychiatric Nurses in India. Our College of Nursing is now enlisted under the list of Govt. Nursing Colleges on 11/12/2020 and the process is going on.

As we have extended our course from Diploma to Post-graduate level in Psychiatric Nursing, there is a great opportunity for the nurses who want to upgrade their professional qualification in the field of Psychiatric Nursing. For the same, Students are taking admission through West Bengal Joint Entrance Examination every year.
